## 'Sectioning off' Pages

If you make a formatting change on one page, it will appear on all pages, unless you 'section' it off. Go through the ABC hard copy and look for pages that have

- Different Vertical Alignment
- Changes in Page Orientations
- Page Borders
- Different Headers & Footers

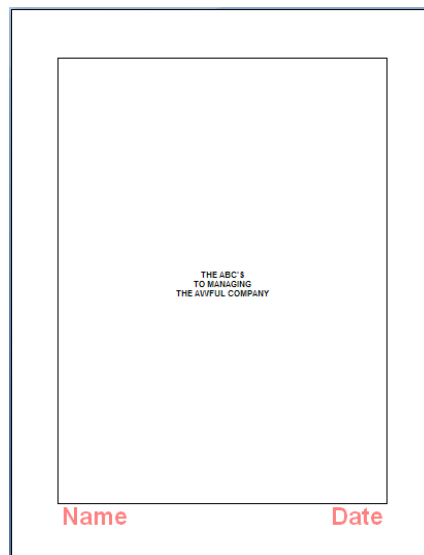

You'll notice that

### The 1<sup>st</sup> Page

Also known as the **Title Page**

Page Formatting includes:

- **Centered Vertical Alignment**
- **Page Border**
- **Unique Footer**

### Pages i and ii

Also known as **Reference Pages**

Page Formatting includes:

- **Unique Footer**
